

Huize Announces Strategic Partnership with New China Life Insurance to Jointly Launch “Bliss” – A Customized Annuity Insurance Product

Jul 25, 2024

SHENZHEN, China, July 25, 2024 (GLOBE NEWSWIRE) -- Huize Holding Limited, (“Huize”, the “Company” or “we”) (NASDAQ: HUIZ), a leading insurance technology platform connecting consumers, insurance carriers and distribution partners digitally through data-driven and AI-powered solutions in Asia, today announced a strategic partnership with New China Life Insurance Company Limited (“NCL”) to jointly launch “Bliss”, a customized annuity insurance product. This product is designed to cater to a growing client base with a preference for stable, risk-averse financial solutions.

“Bliss” differentiates itself with four unique offerings: i) rapid cash value growth with flexible payment options; ii) flexible annuity start times, allowing payouts to begin annuity at 5 years, 10 years, or when the insured reaches 60 or 70 years old, depending on personal financial needs; iii) a seamless enrollment process with no health declaration required, broad occupational eligibility, and affordable premiums starting at just RMB2,000 annually; and iv) value-added benefits including up to 5 years of complimentary health management services.

Mr. Cunjun Ma, Chairman and Chief Executive Officer of Huize, commented, “We are excited to launch “Bliss” through our strategic partnership with NCL, in response to the significant shift in customer investment preference towards savings products. This collaboration is also part of a broader strategic partnership to drive innovation in the digital distribution model for insurance services. It fully integrates our capacities in customizing and promoting internet insurance products, enhancing customer management, and expanding health services. Being observant of customer behavior, we are adept at identifying and addressing customer needs with a variety of insurance options that combine brand value with cost-effectiveness. This approach not only enables us to rapidly capture industry opportunities but also solidifies our position as the digital partner of choice for insurers. Building on our proven track record of co-developing successful insurance products, we remain focused on driving and leading the digital transformation of the insurance industry.”
